

PERMIT APPLICATION: NRS #05-359

APPLICANT: Clair Vanderschaaf
9289 Davies Plantation Road
Memphis, TN 38133
(901) 335-8876

LOCATION: Project is located south of Highway 99, west of Murfreesboro between Kimbro Road and Barfield Road; Rutherford County.

WATERSHED DESCRIPTION: Surrounding land use is mostly residential with scattered woodlots and open fields. The jurisdictional wetlands areas lie within the proposed development are dominated by young growth even age stand of green ash with various herbaceous plants.

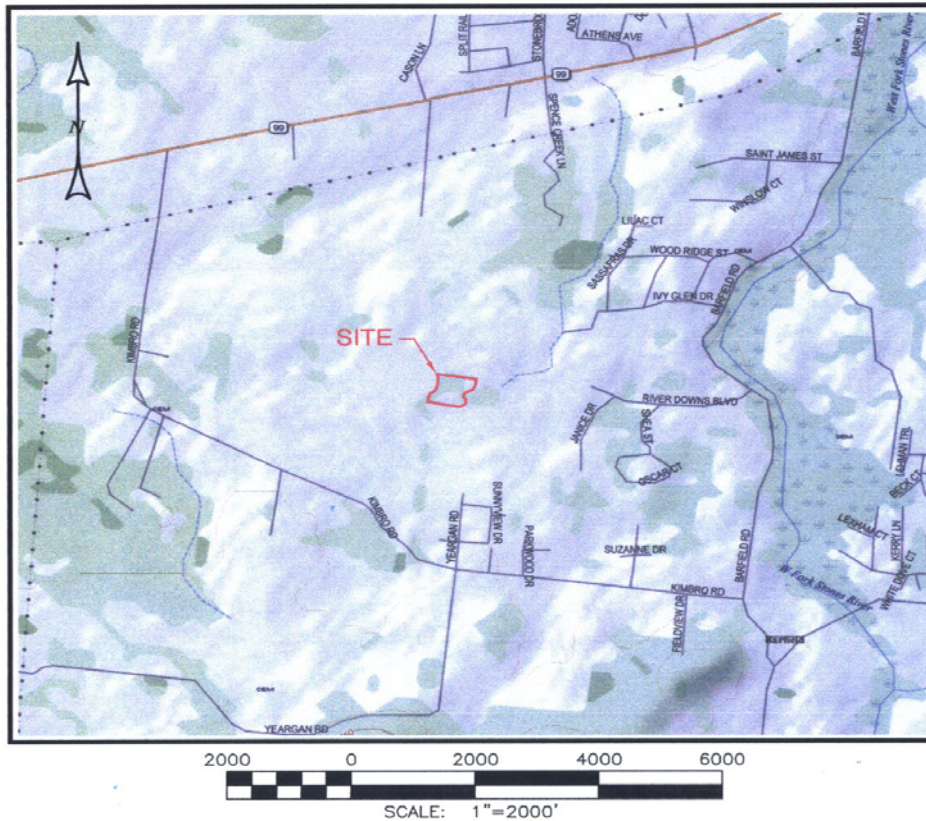

PROJECT DESCRIPTION: The applicant proposes to develop the Rivers Edge subdivision that will involve the placement of fill in 3.91 acres of jurisdictional wetlands out of a total of 7.11 acres. The original application proposed to impact 5.19 acres, but the applicant has now agreed not to develop the most functional part of the wetland.

Compensatory wetland mitigation shall involve the purchase of 7.82 credits from the Harpeth Wetland Mitigation Bank.

In accordance with the Tennessee Antidegradation Statement (Rule 1200-4-3-.06), the division has determined that the proposed activity will not result in degradation to water quality.
